Krewes Kare, Inc. is a 501(c)3 not-for-profit charitable organization founded in 2005 after the devastating hurricanes that hit the Gulf and Atlantic Coasts. Our mission is to help early-response relief workers provide immediate needs to hurricane stricken areas inaccessible to the larger relief agencies. We are made up of all volunteers from the 50-plus krewes in the Tampa Bay area and our events are planned to deposit 100% of the proceeds directly to our charitable fund. And you thought we just slung beads in parades.
