Krewes Kare, Inc. is a 501(c)3 tax-deductible charitable organization founded in 2005 after the devastating hurricanes that hit the Gulf and Atlantic Coasts. Our mission is to provide disaster relief assistance to first responders in affected areas inaccessible to the larger relief agencies. We are an all-volunteer organization from the 50-plus parade krewes in the Tampa Bay area and our events are planned to deposit 100% of the proceeds directly to our charitable fund. And you thought we just slung beads in parades.
